REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The prior art of record fails to show or fairly suggests a method of distributing playing cards and a playing card delivery device as set forth in independent claims 1, 7, 9, 12, 14, 16, 19, 25, 27, 29, 32, 41, 46 and 49. Specifically, the method comprises computationally generating a first pseudo-random playing card sequence from a first set of playing card values, the pseudo-random playing card sequence is generated before a first card in the sequence is printed; and printing a plurality of playing cards having markings corresponding to respective ones of the playing card values in an order matching at least a portion of the generated first pseudo-random playing card sequence.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
